4. Fire Fighting Measures

Suitable extinguishing media Foam, Co2, dry powder, water spray
Extinguishing media which must not be used for safety reasons N/A
Special fire fighting precautions Special protective equipment required.

State of the Art Ingredients • Fast Friendly Service

Special hazards from the substance itself, its combustion products or from its vapors None known

5. Accidental Release Measures

Personal precaution Use personal protective equipment.
Environmental precaution Do not allow enter the drains
Methods for clearing up Dispose of absorbed material in accordance with regulations.

6. Handling and Storage

Personal precaution User personal protective equipment
Environmental precaution Do not allow enter the drains.
Methods for clearing up Dispose of absorbed material in accordance with regulations

7. Handling and Storage

Advice on safe handling Avoid contact with skin and eyes. Wash hands before breaks and at the end of the workday
Storage Storage: cool and dry. Protect from heat and direct sunlight.

8. Exposure Controls/Personal Protection

Eye protection Safety glasses with side shields. Do not wear contact lenses
Skin and body protection Chemical resistant apron or protective suit if splashing or repeated contact with solution is likely.
Respiratory protection Wear a mask
Hand protection PVC gloves
Hygiene measures Wash hands before breaks and at the end of workday.

State of the Art Ingredients • Fast Friendly Service

9. Stability and Reactivity

Stability	Product is stable. No hazardous polymerization will occur
Hazardous reactions	No hazardous reactions with proper storage and handling
Hazardous decomposition products	None with proper storage and handling.

10. Toxicological Information

Contact with eyes	May cause eye irritation with susceptible persons
Contact with Skin	Not irritating
Note	Proper use provided, no adverse health effects have been observed, or have come to your knowledge.

11. Disposal Considerations

Waste from residues	In accordance with local and national regulations
Contaminated Packaging	If empty contaminated containers are recycled or disposed of, the receiver must be informed about possible hazards.

12. Transport Information

Land Transport	Not regulated
Sea Transport	Not regulated
Air Transport	Not regulated

DISCLAIMER

Technical information and / or suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information or suggestions contained herein and confirming tests in your own laboratory and / or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any regulations and / or requirements or as warranties (express or implied) of its fitness for any particular use and / or purpose and no liability may be assumed. Prospective purchasers are invited to conduct their own test and studies to determine the fitness of Ingredients To Die For products for their particular purposes and specific applications and confirming the information and all instructions and / or procedures directly through the original organization is recommended.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

The information contained in this PDF should not be construed as recommending the use of information contained in the PDF in violation of any patent, or as warranties (express or implied) and no patent liability may be assumed. Prospective retailers are invited to conduct their own research to determine compliance for their particular purpose and specific products or legal council is recommended.

The information contained in this PDF is obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product and / or information is outside the control of Ingredients To Die For, no representation or warranty (express or implied) is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods in case of manufacturer defect and does not include any consequential loss.
