

Oat & Honey Gentle Facial Scrub / Mask

DEFINITION

A 100% natural facial scrub, designed to double as a hydrating mask, made with soothing botanical extracts, gentle grain and mineral exfoliants, along with natural preservatives, and thickeners.

KEY INGREDIENTS

Oats and Honey – soothe irritation and repairs damaged tissues while offering gentle exfoliation and moisture

Aloe Vera – organic juice heals and soothes

Chamomile Extract – soothes irritation

Panthenol – pro vitamin B5 soothes irritation and redness for a more even skin tone

VegeMoist – EcoCert glycerides (sugars) from beet root offer hydration from the inside out for true moisture repair while soothing irritation

Orange IIite – earth mineral offers oxygenation of the tissues while offering gentle exfoliation

Sodium Lauroyl Lactylate – EcoCert natural, fatty acid based cleanser offers repair of the skins moisture binding capabilities to go beyond moisturizers for improved skin hydration

Gluconolactone, Sodium Benzoate Preservative – EcoCert food grade, natural, preservative

Oat & Honey Gentle Facial Scrub / Mask

DIRECTIONS

Use in place of your regular cleanser two to three times per week, as needed, to keep the skin clean and hydrated for that healthy glow.

To cleanse and polish: apply to damp skin and massage using gentle circular motions, avoiding the eyes and lips. Rinse with warm water or a warm wet cloth.

To hydrate and soften: following directions above, leave on for 10 to 15 minutes before rinsing completely.
