

## 1 - Identification

<b>Product name</b>	Hempseed Oil
<b>Product number</b>	
<b>Other means of identification</b>	
<b>Product form</b>	Substance
<b>Substance name</b>	Hempseed Oil
<b>CAS-No.</b>	89958-21-4
<b>Recommended use of the chemical and restrictions on use</b>	
No additional information available	
<b>Address</b>	Ingredients To Die For, 155 Blue Dr, Searcy, Ar 72143
<b>Phone</b>	512-535-2711
<b>Emergency Phone</b>	800-424-9300; 800-633-8253

## 2 - Hazard(s) Identification

<b>General hazard statement</b>	No labeling applicable
<b>Classification of the substance or mixture</b>	
<b>GHS classification in accordance with: OSHA (29 CFR 1910.1200)</b>	
<b>GHS label elements, including precautionary statements</b>	
<b>Other hazards which do not result in</b>	No additional information available
<b>Statement regarding ingredients of unknown toxicity</b>	Not applicable

## 3 - Composition/Information on Ingredients

<b>Mixtures</b>	
<b>Components</b>	
<b>1. Hempseed Oil</b>	
Concentration	Not specified, 100%
CAS no.	8995-81-4

## 4 - First-Aid Measures

### Description of necessary first-aid measures

General advice	No immediate medical attention required.
If inhaled	No vapors generated under normal handling conditions.
In case of skin contact	Wash with soap and water.
In case of eye contact	Rinse with plenty of water. If discomfort persists, seek medical attention.
If swallowed	Not dangerous, oil is non-toxic

## 5 - Fire-Fighting Measures

<b>Suitable extinguishing media</b>	Fire blanket, foam, dry powder and CO2
<b>Specific hazards arising from the chemical</b>	Formation of carbon monoxide is possible.
<b>Special protective actions for fire-fighters</b>	Do not use water. Wear suitable respiratory protection.

## 6 - Accidental Release Measures

<b>Personal precautions, protective equipment and emergency procedures</b>	No special precautions under normal conditions.
<b>Environmental precautions</b>	Keep away from drains, surface and ground water.
<b>Methods and materials for containment and cleaning up</b>	Soak up spills with absorbent material.

## 7 - Handling and Storage

<b>Precautions for safe handling</b>	Handle with care and avoid spillage on the floor (spillage can cause slipping hazard).
<b>Conditions for safe storage, including any incompatibilities</b>	Store in a leak proof container to avoid a slipping hazard.

## 8 - Exposure Controls/Personal Protection

<b>Individual protection measures, such as personal protective equipment (PPE)</b>	
<b>Eye/face protection</b>	Use safety glasses/goggles if there is a risk of splashing
<b>Skin protection</b>	No special measures required under normal conditions.
<b>Body protection</b>	Normal working hygiene will suffice.
<b>Respiratory protection</b>	In case of aerosol formation, use dust mask filter.

## 9 - Physical and Chemical Properties

### Information on basic physical and chemical properties

Appearance/form (physical state, color, etc.)	Yellow liquid
Odor	
Odor threshold	Neutral
pH	Not relevant, insoluble in water
Melting point/freezing point	Liquid at ambient temperatures
Initial boiling point and boiling range	No known data
Flash point	> 300 C
Evaporation rate	
Flammability (solid, gas)	
Upper/lower flammability limits	
Vapor pressure	
Vapor density	
Relative density	
Solubility(ies)	Soluble in vegetable oils
Partition coefficient: n-octanol/water	
Auto-ignition temperature	Not possible
Decomposition temperature	
Viscosity	60 - 90 cP
Explosive properties	
Oxidizing properties	

## 10 - Stability and Reactivity

<b>Reactivity</b>	Generally stable, becomes rancid on prolonged exposure to air.
<b>Conditions to avoid</b>	Oxidation promoting conditions (heat and UV light)
<b>Incompatible materials</b>	Pro-oxidants
<b>Hazardous decomposition products</b>	None

## 11 - Toxicological Information

### Information on toxicological effects

<b>Acute toxicity</b>	The substance is a non-toxic vegetable oil.
<b>Skin corrosion/irritation</b>	No known effects.
<b>Serious eye damage/irritation</b>	Slight irritation may occur on eye contact.
<b>Respiratory or skin sensitization</b>	No known effects.
<b>Carcinogenicity</b>	Based upon the composition and reports based upon similar products there are no negative effects to be expected.

## 12 - Ecological Information

<b>Toxicity</b>	The information given in this section is based upon evaluation of the components and ecotoxic data on similar products.
<b>Persistence and degradability</b>	Readily biodegradable.
<b>Bioaccumulative potential</b>	No bioaccumulation is expected.
<b>Mobility in soil</b>	Floats on water. Immobilizes by absorption to soil particles.
<b>Other adverse effects</b>	Presents no ozone depletion potential and is CO2 neutral.

## 13 - Disposal Considerations

### Disposal of the product

No specific danger. Dispose of according to local authority advice.

### Disposal of contaminated packaging

Dispose of according to local authority advice.

## 14 - Transport Information

<b>DOT (US)</b>	Not classified
<b>IMDG</b>	Not classified
<b>IATA</b>	Not classified

## 15 - Regulatory Information

**Chemical Safety Assessment** Not classified as a dangerous material.

## 16 - Other Information

**Further information/disclaimer**

**Date of issue** 03/26/19

**Date of revision** 06/12/19

### DISCLAIMER

Technical information and suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information contained herein and confirming tests in your own laboratory or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any patent rights and no patent liability may be assumed.

The information contained in this Certificate of Analysis and Material Safety Data Sheet are obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product is outside the control of Ingredients To Die For, no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods and does not include any consequential loss.
