

1 - Identification

Product name Kokum Butter
Product number
Brand
Address Ingredients To Die For, 155 Blue Dr, Searcy, AR 72143
Phone 512-535-2711
Emergency Contact Chemtrec Emergency Hl 800-424-9300 (US and Canada)

2 - Hazard(s) Identification

General hazard statement This product does not contain any hazardous ingredients.
Classification of the substance or mixture
GHS classification in accordance with:
OSHA (29 CFR 1910.1200) Not a hazardous substance or mixture
GHS label elements, including Not a hazardous substance or mixture
Other hazards which do not result in
classification Not a hazardous substance or mixture

3 - Composition/Information on Ingredients

Mixtures
Components
1. Kokum Butter
Concentration 100% (weight)
CAS no. 68956-68-3

4 - First-Aid Measures

Description of necessary first-aid measures
General advice This product does not contain any hazardous ingredients.
If inhaled Non-hazardous
In case of skin contact Non-hazardous
In case of eye contact Non-hazardous
If swallowed Non-hazardous
Personal protective equipment for first-aid responders Non-hazardous

5 - Fire-Fighting Measures

Suitable extinguishing media	Carbon dioxide. Chemical powder.
Special protective actions for fire-fighters	Treat as oil fire. Cool containers exposed to heat with water.

6 - Accidental Release Measures

Personal precautions, protective equipment and emergency procedures	Ventilate spillage area. No open flames, no sparks, and no smoking. Avoid contact with skin and eyes. Avoid breathing dust, fumes, gas, mist, vapors, and/or spray.
Environmental precautions	If safe to do so, avoid the dispersal of spilled material and contact with soil, waterways, drains, and sewers. Inform the relevant authorities if the product has caused environmental pollution. Collect spillage.
Methods and materials for containment and cleaning up	Wipe up with paper rags and place the affected items in closed metal waste containers. For large spills use non-flammable absorbent. Prevent run-off to ground & surface waters.

7 - Handling and Storage

Precautions for safe handling	Wear safety glasses and protective outerwear.
Conditions for safe storage, including any incompatibilities	Store in closed containers below 25 C, in well-ventilated cool dry area away from direct sunlight. Do not store in plastic bags and/or plastic containers. In case of HDPE containers material is to be transferred into airy containers made from biodegradable material, for long term storage.

8 - Exposure Controls/Personal Protection

Appropriate engineering controls	Wear safety glasses and protective outerwear.
Individual protection measures, such as personal protective equipment (PPE)	
Body protection	Normal protective clothes/slip proof shoes in areas where leaks or spills may occur.

9 - Physical and Chemical Properties

Information on basic physical and chemical properties

Appearance/form (physical state, color, etc) White to slightly yellow solid fat

Odor Neutral

Odor threshold

pH

Melting point/freezing point

Initial boiling point and boiling range

Flash point > 100 C

Evaporation rate

Flammability (solid, gas)

Upper/lower flammability limits

Vapor pressure

Relative density

Solubility(ies)

Partition coefficient: n-octanol/water

Auto-ignition temperature

Decomposition temperature

Viscosity

Explosive properties

Oxidizing properties Avoid exposure to air

10 - Stability and Reactivity

Reactivity Stable under normal conditions

Chemical stability Stable under normal conditions

Incompatible materials Keep away from heat and avoid contact with oxidizing agents.

11 - Toxicological Information

Information on toxicological effects

Acute toxicity None

12 - Ecological Information

Toxicity This material is readily biodegradable. Use according to criteria of good industrial practice, avoid dispersion in the environment.

13 - Disposal Considerations

Disposal of the product Dispose of according to local, state and federal governmental restrictions and requirements.

14 - Transport Information

DOT (US)	Non-hazardous
IMDG	Non-hazardous
IATA	Non-hazardous

15 - Regulatory Information

Chemical Safety Assessment This product is not considered dangerous.

16 - Other Information

Date of Revision	06/12/19
Date of issue	04/23/19

DISCLAIMER

Technical information and suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information contained herein and confirming tests in your own laboratory or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any patent rights and no patent liability may be assumed.

The information contained in this Certificate of Analysis and Material Safety Data Sheet are obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product is outside the control of Ingredients To Die For, no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods and does not include any consequential loss.
