

Safety Data Sheet

State of the Art Ingredients * Fast Friendly Service

1 - IdentificationProduct nameKokum ButterProduct numberBrandAddressIngredients To Die For, 155 Blue Dr, Searcy, AR 72143Phone512-535-2711Emergency Contact Chemtrec Emergency H 800-424-9300 (US and Canada)

2 - Hazard(s) Identification

General hazard statement Classification of the substance or mixture GHS classification in accordance with: OSHA (29 CFR 1910.1200) GHS label elements, including Other hazards which do not result in classification

This product does not contain any hazardous ingredients.

Not a hazardous substance or mixture

Not a hazardous substance or mixture

Not a hazardous substance or mixture

3 - Composition/Information on Ingredients

Mixtures Components 1. Kokum Butter Concentration CAS no.

100% (weight) 68956-68-3

4 - First-Aid Measures

Description of necessary first-aid measuresGeneral adviceThis product does not contain any hazardous ingredients.If inhaledNon-hazardousIn case of skin contactNon-hazardousIn case of eye contactNon-hazardousIf swallowedNon-hazardousPersonal protective equipment for first-aidNon-hazardousrespondersKenter

Safety Data Sheet

State of the Art Ingredients * Fast Friendly Service

5 - Fire-Fighting Measures		
Suitable extinguishing media	Carbon dioxide. Chemical powder.	
Special protective actions for fire-fighters	Treat as oil fire. Cool containers exposed to heat with water.	
6 - /	Accidental Release Measures	
Personal precautions, protective equipment	Ventilate spillage area. No open flames, no sparks, and no smoking. Avoid contact with skin and eyes.	
and emergency procedures	Avoid breathing dust, fumes, gas, mist, vapors, and/or spray.	
Environmental precautions	If safe to do so, avoid the dispersal of spilled material and contact with soil, waterways, drains, and sewers. Inform the relevant authorities if the product has caused environmental pollution. Collect spillage.	
Methods and materials for containment and cleaning up	Wipe up with paper rags and place the affected items in closed metal waste containers. For large spills use non-flammable absorbent. Prevent run-off to ground & surface waters.	

7 - Handling and Storage	
--------------------------	--

Precautions for safe handlingWear safety glasses and protective outerwear.Conditions for safe storage, including anyStore in closed containers below 25 C, in well-ventilated cool dry area away from direct sunlight. Do notincompatibilitiesstore in plastic bags and/or plastic containers. In case of HDPE containers material is to be transferredinto airy containers made from biodegradable material, for long term storage.

8 - Exposure Controls/Personal Protection

Appropriate engineering controls

Wear safety glasses and protective outerwear.

Individual protection measures, such as personal protective equipment (PPE)

Body protection

Normal protective clothes/slip proof shoes in areas where leaks or spills may occur.

9 - Physical and Chemical Properties

information on basic physical and chemical properties		
Appearance/form (physical state, color, etc)	White to slightly yellow solid fat	
Odor	Neutral	
Odor threshold		
рН		
Melting point/freezing point		
Initial boiling point and boiling range		
Flash point	> 100 C	
Evaporation rate		
Flammability (solid, gas)		
Upper/lower flammability limits		
Vapor pressure		
Relative density		
Solubility(ies)		
Partition coefficient: n-octanol/water		
Auto-ignition temperature		
Decomposition temperature		
Viscosity		
Explosive properties		
Oxidizing properties	Avoid exposure to air	

10 - Stability and Reactivity

Reactivity
Chemical stability
Incompatible materials

Stable under normal conditions Stable under normal conditions Keep away from heat and avoid contact with oxidizing agents.

11 - Toxicological Information

Information on toxicological effects Acute toxicity

None

12 - Ecological Information

Toxicity

This material is readily biodegradable. Use according to criteria of good industrial practice, avoid dispersion in the environment.

13 - Disposal Considerations

Disposal of the product

Dispose of according to local, state and federal governmental restrictions and requirements.

14 - Transport Information

DOT (US) IMDG IATA Non-hazardous Non-hazardous Non-hazardous

15 - Regulatory Information

Chemical Safety Assessment

This product is not considered dangerous.

16 - Other Information

Date of Revision Date of issue

06/12/19 04/23/19

DISCLAIMER

Technical information and suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information contained herein and confirming tests in your own laboratory or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any patent rights and no patent liability may be assumed.

The information contained in this Certificate of Analysis and Material Safety Data Sheet are obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product is outside the control of Ingredients To Die For, no representation or warranty, expressed or implied is made as to the effect(s)of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods and does not include any consequential loss.
